## THE ORDER OF THE HOLY CROSS

The Ordo of the Order of the Holy Cross is the official calendar of feasts and fasts observed in our community along with their rank or degree of solemnity. This Ordo follows the calendar authorized by the Chapter of the Order in 2017. It may be used with *The Monastic Breviary* in either its 1976 or revised forms, with the service books published by the Camaldolese Benedictines, or with any other authorized form of the daily office.

Observances listed as **First Class feasts** begin with First Vespers on the preceding evening and generally take precedence over all other observances. **Second Class feasts** do not have a First Vespers; their Vespers take precedence over the Saturday Vespers preceding an ordinary Sunday in the seasons after Epiphany and Pentecost. **Third Class feasts** are observed with their own office, elements of which are taken either from the Proper or the Common of Saints in the service books used. **Fourth Class feasts**, also called Optional Commemorations, do not have their own office but may be commemorated at Matins [or Lauds] and Vespers or observed at the Eucharist of the day or both. A table of such commemorations recently observed in our Order can be found at the end of this document. Local communities or households will need to determine if and how they wish to observe them.

In this Ordo, First and Second Class feasts that are impeded are transferred to the next day of lesser rank. Local communities or households may choose to transfer them to some other available day in the week that follows their assigned date.

A table of abbreviations used in the Ordo can be found at the end of the document along with notes on liturgical colors.

## OPTIONAL COMMEMORATIONS/FOURTH CLASS FEASTS

These are recent observances in the OHC calendar. Any of these, as well as any others authorized by the local Province or diocese of the Church, may be observed if and as desired. These feasts are entirely optional and are observed at the discretion of the local household, but some at least should be observed or commemorated to connect the local household to the history and culture of the wider church and of its own Province. Each household will need to carefully consider the extent and nature of such observances. Those in **bold face** were previously observed as second or third class; those separated with a **double arrow** (↔) occur on the same date.
